

“How to Have Good Days, Part II” I Peter 3:8-12

I. Love God’s People

II. Love Our Enemies

We must operate on the basis of mercy.

Peter’s admonition suggests several practical applications:

- Believers can bless people by loving them unconditionally.
John 13:34; 15:12

- Believers can give a blessing by praying for the salvation of an unbeliever, or the sanctification of a fellow believer.

- Believers can bless people by expressing gratitude for them.
Romans 1:8; Philippians 1:3-5

- Believers are to forgive those who persecute them.
I Peter 4:8; Mark 11:25; Luke 17:4;

We are called to ***“inherit a blessing.”***
